Cijin Tunnel of Stars

 Lane 1 Miao Qian Road, Cijin District, Kaohsiung City 805

Originally it is a military tunnel, which was built in 2005. A wooden plank road was laid in the tunnel, and the twelve-constellation luminous paintings and driftwood, light-storing stone and other materials on the inner wall were matched the sea breeze in the cave. It was quite a bit of a starry sky with the romantic feeling. The exit of the tunnel is Cijinwan Gorge under Cijing Mountain. The tunnel of Stars is a unique bicycling path with Cihou Lighthouse, Cihou Battery and coral reef topography. It is a stunning sight for tourists both physically and mentally, whether walking or cycling.

Cijin Rainbow Arch

 No.990, Cijin 3rd Road, Cijin District, Kaohsiung City, 805

 07-5718920

The geometric architectural form is the main design element, with different time and shadow changes to create a three-dimensional sense of space, the rainbow color represents happiness and good blessing, with the real seascape, forming a natural landscape as a concept, the pool on the side shows the borderless visual effect through the shooting angle that make the building look like floating in the middle of the sea. It is the hot check in spot in Cijin, and won the second most popular spot in the 2015 by Yahoo Top 10 Grand Place in Taiwan

Cijin Shell Gallery

 No.887, Cijin 3rd Road, Cijin District, Kaohsiung City, 805

 07-5718920

The museum displays about 2,000 kinds of shellfish and about 200 kinds of crab specimens. The five big king shells are all in the same place. All are donated unselfishly to Kaohsiung City Government by the well-known seashell collector- Mr. Ge Liang Huang. Various kinds of precious shellfish are truly eye opener .The largest "bivalve "in the world is the key highlights of the collections and other rare shellfishes such as Nautilus ,White jade, Tiger Cowrie, and Entemnotrochus rumphii are all the precious collections.

Cijin Wind-Power Park

 Cijin 2nd Road, Cijin District, Kaohsiung City 805

The first coastal impression spot as passing Cross-Harbor Tunnel to Cijin which connects the sightseeing trails of Cijin Fishery Harbor. Cijin has abundant wind resources, there are seven unique shaped three-blade windmills constantly turn to face the vast sea surface. There is a viewing sea stand and performance plaza in the park. The unique and lovely marine creation is vivid and interesting. It is the most healing spot in Cijin.

Cijin Fishing Port

 No.50-60, Beitun Lane, Cijin District, Kaohsiung City 805

Cijin Fishing Port is a small offshore fishing vessel operation that starting from 5:00 a.m. every morning. As the fishing boats return to the harbor one after another. Visitors not only can watch the lively scene of fish auctions at close range, also they can purchase the most delicious seafood in the sightseeing fishery nearby. Fishing Port Plaza is also the best location for various fishery promotion activities, like tamarin tasting and black cod sale which are often the hot trend. Cijing sightseeing fishing port is adjacent to Kaohsiung Port in the east, west to the wind-power park and the beach in the west. People here not only can enjoying buying, enjoying fresh seafood, but also enjoying the scenery of Kaohsiung Harbor.

YM Museum of Marine Exploration Kaohsiung

 No.50-61, Beishan Lane, Cijin District, Kaohsiung City 805

 07-5716688

It is a Two- storey building with a special cruise shape which is like a large ship moored in Kaohsiung port. It is intertwined with container ships, fishing boats and occasional warships that are shuttled back and forth into a beautiful harbor style. On the first floor of the pavilion, there are two special exhibition rooms and a 3D cinema. The second floor of the pavilion is planned to be a viewing area. It is the best viewing platform in the Discovery Hall which you can enjoy the beautiful Kaohsiung Port, Cijin Fishing Port, and also overlook the skyline of Kaohsiung city to enjoy a leisurely, peaceful time and experience a calm, welcoming atmosphere.

Cijin Oceanview Bike Path

 Cijin 2nd Road, Cijin District, Kaohsiung City

There are five bicycle path. The first one is Maxwell Memorial Bike Path which is the most beautiful path about historical and humanistic heritage. Along the coast,there are Cihou Lighthouse, classical Cihou Fort, coral reef topography, Tunnel of Stars, Maxwell Memorial monument and other attractions that are exuded the feelings of the ancient and also you can enjoy the magnificent scenery of the mountains and seas. Turning a corner to Cijin Seaside Park, the mountain bike area, riding to the coast against the wind, and finally reaching the Red Lantern Seafood Market, and watching the sunset or the big boat into the port, are satisfying ways to chill.

Cihou Lighthouse

 No.34, Qixia Ln, Cijin District, Kaohsiung City 805

Cihou Lighthouse has been a hundred years old since it's established. It lights up the sea and ensuring the safety of navigation. Its historical significance and important position make it a national three-level monument. The simple and beautiful building of Cihou Lighthouse is an irreplaceable historical and cultural image of Kaohsiung where you can enjoy the unobstructed view of Taiwan Strait and Kaohsiung city and also overlook the coastal ships and the splendid golden sunset which will be a beautiful cultural tour.

Jin Sheng Chun Seafood

 No.68-22, Chungchou Lane, Chungchou 2nd Road, Cijin District, Kaohsiung City 805

 07-5713603

Jin Sheng Chun Seafood is next to Chungchou Ferry Station; the food there is not only fresh but also reasonably priced. If you drive you can park in front of the shop. Once in the shop, you can see a large number of live lobsters, crabs, fishes, and other seafood in the big fish tank. The signature dish is lobster porridge which gourmand love to have.

Ya Jiao live Seafood

 NO.22, Miao Qian Road, Cijin District, Kaohsiung City 805

 07-5716325

The location is much more behind, and you can see it on the seaside street of Cijin. In addition to a reasonably priced, the point is focusing on the word "fresh". There are a large number of fresh fish products at the front of the shop for guests to choose from, but the price of some special types of seafood depends on the weight so must be confirmed again with the store! The open kitchen also allows guests to see the chef's superb cooking skills.

Wan Er Snacks

 No.50-60, Beishan Lane, Cijin District, Kaohsiung City 805

 07-5714191

The location is around Cijin fishing market. Before dining you must purchase meal coupons, each for 100 NT dollars. After buying the meal coupons, you can exchange the food you want to eat if the amount of meal coupons is not enough, you can pay cash then. On the table, you can see raw food for the guests. Just tell the chef which dish you like, as freshly prepared as ordered. The chef will heat up the dishes which has been made for the guests.

Cijin Windmill Station Restaurant

 No.289-1, Chungchou 2nd Road, Cijin District, Kaohsiung City 805

 07-5715993

The Windmill Station restaurant is wide in size and the outdoor is full of trees which is close to the wind-power park. There are cats to accompany from time to time, and the interior style is very different. The wall is covered with seafood photos, Japanese cultural relics, and shows the Japanese style bar here. In addition to fresh and live seafood dishes, Japanese cuisine, Chinese cuisine, and exquisite barbecue are also available, and menu-free specialties can be provided according to your budget.

Da Ji Li Snacks

 No.2, Tongshan Road, Cijin District, Kaohsiung City

 07-571-5858

The owner of Da Ji Li Snacks guarantees the fish balls are absolutely free of preservatives and borax. They are healthy and at ease. The ingredients are the best, the dishes are very particular and the fish paste is fresh fish of the day which is unfrozen, freshly prepared as ordered, good texture, sweet and delicious. The broth is made of big bones and scorpion fish bones, people can not help but just want one more to taste.

Bu Yi Yang Pork Thick

 No.6, Miaoqian Road, Cijin District, Kaohsiung City

 0917-251815

Why does it call "Bu Yi Yang" in Chinese ? The reason why it is different is that the meat here is quite unique. It is not boiled in powder, but fried in a pan which is crispy, chewy and the aroma is overflowing. You can have it with noodles or rice noodles. The broth is thickened with cabbage and coriander to add sweetness, and the noodle have a special taste.

Whatt'a Ice Shop

 No.4, Lane 103, Miao Qian Road, Cijin District, Kaohsiung City 805

 07-5711630

Fresh mango ice and rose ice are the bestsellers which uphold the three principles of fresh, natural, and healthy quality ice products (milk, snow, ice). They insist to use the fresh fruit in the current season and hand-cooked syrup with no any chemical ingredients that make you eat at ease.

Da One Gong Ice Shop

 No.78, Miao Qian Road, Cijin District, Kaohsiung City 805

 07-5718899

Founded in 1995, due to the consideration of the traditional small bowl of ice which cannot meet the consumers who want to drink and drink, so Da One Gong Ice Shop launched 2,4,6,10,30 times large bowl and challenge cup (1000cc), World Cup (5000cc) cold drinks have been praised by countless consumers abroad. In addition to being able to open their eyes and satisfy their desire to eat ice, club gatherings can also have many unexpected and interesting things.

Jin Handmade Sweet Potatoes

 Old Chungchou Fish Market, No.93-1, Yong Xing Lane, Cijin District, Kaohsiung City 805

 07-5715958

Not only the sweet potato crisps but also taro crisps are the local gourmet food in Cijin. There are four flavors: original flavor, salt and pepper, mustard and honey with no preservatives and artificial colors. They are made by washing, Peeling, cutting, frying, degreasing, cooking sugar, pouring sugar, packaging, etc., the molasses flavor is the top recommendation of the boss which is thin and crisp, sweet and not sticky.

Zheng Jia Xing Handmade Boston

 【Chungchou Original Store】: No.115, Cijin 2nd Road, Cijin District, Kaohsiung City

 【Cihou Store】: No.42-1, Miao Qian Road, Cijin District, Kaohsiung City

 0800-203828

Cijin popular cake shop, in 2009 also received the award of souvenir recommendation in Kaohsiung. Boston cake has always been the bestseller, the smooth cake with traditional stuffing, simple taste, strict production process requirements, ingredients used accurate and professional handmade. What we hope is that each customer can feel and enjoy the efforts from Zheng Jia Xing Handmade Boston.

San Ho Bakery

 No.92, Miao Qian Road, Cijin District, Kaohsiung City 805

 07-5721973

When mentioning the traditional Chinese cake, Cijin San Ho Bakery must not be missed. San Ho Bakery is located in Cijin Lane, that still retains many handmade technical cakes, and has been with the rise and fall of Kaohsiung Cijin for more than 100 years. Yuan-Fong Cake which the skin is crisp, soft and sweet stuffing, White Fragrant Cake which crisp and we called it Sun Cake nowadays or all kinds of Ping-An Rice Cakes are very popular specialties with gifts.

Ding Ding Shrimp Cake

 No.133, Miaoqian Road, Cijin District, Kaohsiung City

 07-5719615

The shelled whole shrimp is added with protein and corn flour. After steamed, sliced, dried, then the protein is heated and expanded by rapid frying. This is a golden crispy shrimp cake. Ding Ding Shrimp Cake insists on using the best brand of oil, and hopes that every customer can eat delicious and healthy shrimp cake.
